PARKING · EV	HEATED POOL	ENERGY (EPC)	TO THE MARINA

A two-bedroom apartment on the second floor of SERENITY, a new 53-apartment condominium in Vilamoura by Saraiva + Associados, built by FERCOPOR. 127.08 m² inside: a 33.57 m² living and dining room opening to a kitchen with an island, Neolith worktops and Siemens appliances, then two suites of 17.08 m² and 12.04 m², each with its own bathroom, plus a laundry room and guest WC. Two balconies, 28.62 m² in total.

Two underground parking spaces with EV charging and a private storage room. Garden, heated indoor pool, two outdoor pools, gym, massage room, lounge and concierge. Ducted air conditioning, bathroom underfloor heating, home automation. Under construction; developer's completion target second half of 2026. Sold by assignment of the purchase contract. Energy certificate issued on completion. Images are the developer's visualisations.
